**Please read the following in its entirety before completing the form**

One of the greatest risks of “**inadvertent violations of export laws and regulations**” occurs when records are not retained as per 31 CFR 501.601, 501.602 and 15 CFR 762 - recordkeeping and reporting requirements. UM's Export Control Program Recordkeeping Form will serve to “heighten UM employees” awareness that such communications, meetings and Program activities are risk areas for potential export violations that are to be recorded. This form will represent 6 months of program activities.

Principal Investigator/Researcher please fill out the Export Control Program Recordkeeping Form in order to preserve a record of the program activities, interchange and interactions with Foreign Persons, as per [15 CFR 762](#) and [31 CFR 501](#) (Recordkeeping, Reporting, Procedures and Penalties Regulations).
